Brothers and Sisters in Christ,

St. Olympia Orthodox Church is the only Orthodox parish in St. Lawrence County. Our parish is a mix of all the beautiful traditions found in Greek, Ukrainian, Albanian, Middle Eastern, Russian, Eritrean...churches and just plain American—our services are in English! We are here to share the beauty of our ancient yet timeless faith in our Savior, Jesus Christ, to bring Orthodoxy to everyone.

It was just in 2021, we moved into the church building shown here. As you can see, little-by-little, the nave has been, and is being, transformed into a holy space. From here we, as Orthodox Christians, can worship and spread the Good News as we are called to do, and serve the community in other ways as well. Our church is also home to a food pantry located in the basement servicing those in need.

This call for Stewardship 2023 is an invitation for you to be a vital part of the mission to bring Orthodoxy to the North Country. We all need this church here as do the people of this region. We ask that you share your gifts, your talents, your love of God who loves us beyond measure. Come worship! This is the true meaning of Stewardship.

Of course, there are bills to pay for maintenance and upkeep, and so you are also invited to help financially, as you can. Just as important, how many of us need to reinvigorate our own spiritual lives? How many people can we bring to experience what we know and love as we sing hymns of praise to the Lord. This is also part of stewardship.

Please fill out the attached Stewardship 2023 form to pledge your talent, your time and your support for the coming year.

In Christ,

Jessica Suchy-Pilalis

Giving Your Time & Talent to St Olympia

“We have different gifts, according to the grace given us. If a man’s gift is prophesying, let him use it in proportion to his faith. If it is serving let him serve; if it is teaching, let him teach; if it is encouraging, let him encourage; if it is contributing to the needs of others, let him give generously; if it is leadership, let him govern diligently; if it is showing mercy, let him do it cheerfully.”
